

# MPE

Portable, Electric-Powered, Cold Water Pressure Washer with up to 5000 PSI Cleaning Power

- Up to 5000 PSI
- Belt-Drive Pump with 7-Year Warranty
- Reliable Baldor Motor
- Heavy-Duty Inlet Filter
- 1/4" Steel Roll Cage

■ **Electrical Options** of 230V 3ph and 460V 3ph, both of which come standard with a NEMA 4 electrical box

■ A reliable 20 HP **Baldor Motor**, utilizing an energy efficient design that meets NEMA Premium® efficiency.

■ **Illustrated Labels** with universal graphics and symbols make operating instructions and warnings easy to understand for operator convenience and owner liability protection.

■ **Rugged 1/4" Steel Roll Cage with Lift Bar** provides additional protection to the components.

■ **Industrial-grade, belt-drive High-Pressure Pump** has a tri-plex, forged brass head with a limited lifetime warranty and a market-leading 7-year warranty on the oil end.

■ **Insulated, fatigue-free, spring-loaded Trigger Gun** allows for easy point-and-shoot cleaning.

■ **50 ft. of steel-wire braid High Pressure Hose** rated for up to 6000 PSI and with 24-inch **Hose Guard** for burst protection and swivel **Crimp Fitting** for tangle-free handling of hose and trigger gun.

■ **Rugged roll cage and 10-gauge steel chassis** is protected with weather-resistant **Epoxy Powder Coat Paint**.

■ **Durable polyurethane Battery Box** with vibration isolators for secure ride comes standard with the electric-start models (battery not included).

■ There are many **Safety Features** including a thermal pump protector and hand brake to prevent rolling while unattended.

■ **Four quick-couple Nozzles** are made of hardened stainless steel and color-coded for easy selection of spray pattern: 0°, 15°, 25°, 40°

■ **Four-ply, tubed 13" Pneumatic Tires** for easy maneuvering in any terrain.

■ **Easy-to-attach Detergent Injector** for convenience in applying soap.

■ **Inlet Filter** strainer protects pump from debris.

Cleaning a ship's hull is only one of the many applications for the MPE high-pressure washers with cleaning power of 5.0 GPM and 5000 PSI.

## WHY CHOOSE THE MPE

No other cold water pressure washer delivers such versatility and more blasting power than our electric-powered MPE. It delivers the rare—but highly effective—blasting combination of 5.0 GPM and 5000 PSI. It's enough to cut salt-water barnacles from a ship's hull, rip bark off logs and strip paint from metal. There are two models of the MPE, 230V 3ph and 460V 3ph, both of which come standard with a Nema 4 electrical box, a reliable 20 HP Baldor motor, a Cutler-Hammer magnetic starter and a 12-foot electrical cord. Features include:

■ **QUALITY:** All top-drawer components, including reliable high-pressure pump with 7-year warranty, extra-reliable Baldor motor, high-impact steel roll cage and lifting bar, four 13" tubed, pneumatic tires, and industrial point-and-shoot wand for cleaning effectiveness.

■ **SAFETY:** Certified to rigid UL-1776 safety standards, with 24-inch hose guard for burst protection and tri-lingual operating instructions for operator protection.

Model #	Part #	GPM	PSI	Pump RPM	Motor HP	Volts	Phase	Amps	Ship Wt (lbs)
