Since 1969

Industrial Pressure Washers
...Built Right to Do the Job Right

PCA

Portable, Aluminum Chassis,
Gasoline-Powered, Cold Water Pressure Washer

- Up to 3.8 GPM;
Up to 4000 PSI
- Direct-Drive Landa Pump
with 7-year Warranty
- Reliable Honda Engine
- E-Z Pull Starting
- Lightweight, Corrosion
Resistant, Aluminum Frame

■ **Hose and Gun Hangers** for convenient storage of hose, trigger gun and wand.

■ **Handles** on front and back make for easy loading and unloading of the pressure washer in a vehicle. Handle has **Cast-Aluminum Rotary Joints** to adjust height for ergonomical maneuvering and allows handle to fold down for compact storage.

■ **Insulated, fatigue-free, spring-loaded Trigger Gun** with side-grip **Spray Wand** for effective point-and-shoot cleaning action.

■ 50 ft. of steel-wire braid **High Pressure Hose** with 24-inch **Hose Guard** for burst protection and swivel **Crimp Fitting** for tangle-free handling of hose and trigger gun.

■ 10 in. 4-ply, tubed **Pneumatic Tires** make for easy maneuvering in any terrain.

■ **Weldless Aluminum Chassis** with handles made of 1¼-inch tubing is light, but durable, and is more corrosion resistant than steel.

■ **Illustrated Labels** with universal graphics and symbols make operating instructions and warnings easy to understand for operator convenience and owner liability protection.

■ **Industrial-duty Gasoline-Powered Honda Engine** with 3-year warranty, overhead valves, easy-access oil drain line, and vibration isolation for smooth operation.

■ **Four quick-couple Nozzles** are made of hardened stainless steel and color-coded for easy selection of spray pattern: 0°, 15°, 25°, 40°.

■ **Industrial-grade, direct-drive Landa High-Pressure Pump** has a tri-plex, forged brass head with a seven-year warranty and **E-Z Start Valve** for resistance-free pull starting with the 270cc and 389cc engines.

■ **Pump Support Bracket** extends engine and pump service life.

■ There are many **Safety Features**, including a thermal pump protector to prevent the build up of excessive pressures or heat.

PCA4-35324

■ **Two Rubber Pad Feet** absorb vibration for long life and to keep the unit from "walking."

Gasoline-Powered, Cold Water Pressure Washer

- Up to 3.8 GPM;
Up to 4000 PSI
- Direct-Drive Landa Pump
with 7-year Warranty
- Reliable Honda Engine
- E-Z Pull Starting
- Lightweight, Corrosion
Resistant, Aluminum Frame

WHY CHOOSE LANDA'S PCA

The PCA is Landa's aluminum frame, direct-drive, cold water pressure washer line offering cleaning power of up to 4000 PSI. The PCA is easy to transport, as well as push or pull around, thanks to the innovative frame construction and ideal weight distribution.

QUALITY: Only the highest quality components are used on the PCA, including a tri-plunger, high-pressure Landa pump with 7-year warranty, industrial-duty Honda engines with 3-year warranty, durable weldless aluminum frame, and point-and-shoot wand with side grip for cleaning effectiveness. The PCA is certified to the rigid UL-1776 safety standards with a 24-inch hose guard for burst protection and pictogram operating instructions for owner liability assurance.

CONVENIENCE: A number of features make the PCA especially popular with users who need to transport equipment to a cleaning site. For instance, the rust-free aluminum frame makes the PCA much lighter to lift into a vehicle; handles on both front and back make for easier loading; and the cast aluminum rotary joints allow the main handle to fold down making the PCA more compact. The PCA is easy to maneuver around the cleaning site with 10-inch tubed pneumatic tires and an ergonomic handle height. Shock-absorbing rubber feet keep the PCA from "walking" while in operation. The E-Z start valve (on models with 270cc or 389cc engine) allows for resistance-free pull starting of the engine.

PCA Specifications

MODEL NO.	PART NO.	GPM	PSI	CCs	ENGINE	START	PUMP	PUMP RPM	HOSE	L x W x H	SHIP WT.
PCA3-27324	1.107-124.0	2.5	2700	196cc	Honda GX200	Recoil	Landa Triplex	3400	3/8" x 50'	39.5" x 22.5" x 40"	125 lbs.
PCA3-30324	1.107-125.0	3.0	3000	270cc	Honda GX270	Recoil	Landa Triplex	3400	3/8" x 50'	39.5" x 22.5" x 40"	148 lbs.

PCA4-40324	1.107-228.0	3.5	4000	389cc	Honda GX390	Recoil	Landa Triplex	3400	3/8" x 50'	41" x 22.5" x 40"	172 lbs.

Note: Landa is constantly improving and updating its products. Consequently, pictures, features, and specifications in this brochure may differ slightly from current models. Flow rates and pressure ratings may vary due to variances allowed by manufacturers of our machine components. Landa product performance is certified by the Cleaning Equipment Trade Association (CETA) to be within 5% of listed specifications. Listed engine ratings are as provided by the engine manufacturer.

* PCA height with handle folded down for transport or storage is 28.5 inches.
